

Annalisa Bonfiglio

Annalisa Bonfiglio received the Laurea Degree in Physics at the University of Genoa in 1991 and the Ph.D. in Bioengineering at the Politecnico di Milano, Italy in 1995.

She is currently Associate Professor of Electronics and Electronic Bioengineering at the University of Cagliari, Italy.

Her research interests are related to Innovative Materials and Devices for Electronics and Bioengineering. She is currently coordinator of the EU-funded Integrated Project PROETEX on smart textile micro- and nano-systems for biosignal monitoring of emergency personnel.
