

Aitor Arriola

Aitor Arriola received his degree in Telecommunication Engineering from the University of the Basque Country (UPV/EHU) in 1999. Since then he has been with the Department of Communication Technologies of IKERLAN-IK4, participating in several research projects involving the development and evaluation of RF systems. In 2003 he started his PhD studies at the University of Navarra, and since 2006 he is doing an internship in IMEC vzw in Leuven, Belgium. His research interests include antennas for Body Area Networks and High Impedance Surfaces.
